# PTF

Dear CCS Family,

First we would like to welcome all the new families to CCS. We are so glad you are here! PTF would just like to again thank all of our volunteers from last year and give a recap of everything PTF did here at CCS to make it a great place! PTF helped with Grandparents Day, Parent/Teacher conferences, Teacher Staff Appreciation Week, and Kindergarten Roundup.

Also, the school carnival was a great success. A special thanks to **Barb Casey** for her many years of service to the carnival, she will not be returning to serve in that capacity this year. The PTF paid for the school playground equipment to be painted, bought Snap Grades, gave \$50 to each classroom for supplies, purchased all the Accelerated Reader (AR) tests for K-6<sup>th</sup> grade, bringing our program up to where it needs to be, we purchased 3 VCR/DVD combos and purchased a new tarp for the preschool playground. We also were blessed to receive donations of three gently used TVs.

Everyone here at CCS made this last year possible. Keep clipping the **Box Tops** and **Tyson Labels** we are using them. Keep purchasing your **Dillon's certificates**. Many of you have designated Central Christian School as your school on your **Target Take Charge of Education Program** for Target charge and debit cards. All of these fundraisers are benefiting Central Christian School! We would also like to thank the previous PTF committee for making all of these contributions to our school.

We would like to welcome you to PTF by inviting you to our meetings this school year. We will be **meeting the 2<sup>nd</sup> Friday of each month, starting October 8th, at 11:30 am**. Please feel free to join us when you can. If you didn't get a chance to fill out a PTF signup sheet at registration, please contact one of the new members and we will get a sheet to you. Please check us out on the CCS website:

[www.centralchristianschool.net](http://www.centralchristianschool.net) we are under the parent tab.

A special thanks to all of the families that brought food for our back to school kickoff. Also a special thanks to **Tracy Dinkel** for using her creative flair to help us welcome the teachers back to school. Again welcome back to CCS. We are looking forward to a great year!

Carrie Benton, Communications
